

BROCKMANS®

Intensely Smooth GIN

An exceptional gin with English roots. The botanicals of blueberry and blackberry give the gin an intense fruity note and a particularly smooth taste. A wonderfully unconventional gin that is also beloved for its high-quality and unique bottle design.

Botanicals: Angelica root, coriander, Tuscan juniper, citrus peel, orange peel, almond, blueberry and blackberry, licorice, cassia bark, and iris flower roots.

Taste: Fruity, with an intense aroma of ripe berries. Classic gin notes like juniper, bitter orange, and coriander play supporting roles in the flavor symphony of Brockmans Gin.

Serving suggestion: Enjoy Brockmans on the rocks, as a Gin and Tonic, with ginger ale, as a Martini with citrus zest, as a Bramble, or as a base for other creative gin cocktails.
