

# BROCKMANS®

*Intensely Smooth* GIN

An exceptional gin with English roots. The botanicals of blueberry and blackberry impart an intense fruity note and a particularly mild flavor to the gin. A gin for free spirits, which is not least appreciated for its high-quality and unique bottle design.

Botanicals: Angelica root, coriander, Tuscan juniper, citrus peel, orange peel, almond, blueberry, and blackberry, licorice, cassia cinnamon, as well as iris flower roots.

Taste: Fruity, with an intense aroma of ripe berries. Classic gin notes like juniper, bitter orange, and coriander take on supporting roles in the flavor symphony of Brockmans Gin.

The Brockmans Value Added Pack is an ideal gift, especially for gin enthusiasts. The included sturdy Brockmans balloon glass is essential for the perfect serve of a Gin & Tonic.
