

# SB SeiBellissimi

Behind the Sei Bellissimi brand is serial entrepreneur Giancarlo Mancino, already celebrated worldwide for his vermouths. With Sei Bellissimi, he now crafts an outstanding quality Bellini in a bottle. However, the Bellini is just the beginning of the series - more bottled cocktails of the finest quality will follow!

The BelliNo is the non-alcoholic version of the Sei Bellissimi Bellini. Yet, the BelliNo is more than just an alternative to alcoholic drinks; it offers the opportunity to completely rediscover the flavor profile of a Bellini.

With the BelliNo product innovation, Sei Bellissimi is following the trend of increasingly popular non-alcoholic spirits and cocktails. The same ingredients as in the classic Bellini are used in its production, with only the manufacturing process differing: the flesh of white peaches is blended with Moscato grape juice. Thus, the BelliNo is in no way inferior to its big brother when it comes to taste.
