

O REIZINHO

Angular, characterful rum made from freshly pressed sugarcane juice – that's what the products of the O Reizinho brand from the Portuguese island of Madeira embody. From sugarcane cultivation to bottle filling, all production steps take place on the land of the Ferreira family.

For this cask strength bottling, the three-year-old O Reizinho Rum continues to mature for an additional three years in Madeira wine barrels. The extended finishing period imparts an even more complex flavor profile, a tannin-rich finish, rounded off with a touch of leather.

Flavors: Candied orange peel, dried plums, sugarcane, chocolate, cinnamon, vanilla, oak wood, brown sugar, and honey.
