

O REIZINHO

Under the brand O Reizinho, the Ferreira family produces rum in small quantities on the island of Madeira, made from fresh sugarcane. With a strong focus on the highest quality, they create exceptional distillates, often available at cask strength. The Limited Edition is O Reizinho's first white rum.

This rum originates from the Ferreira family's Copper Pot Still on the Portuguese island of Madeira. Unlike the other rums of the brand, it doesn't mature in Madeira wine barrels but rather ages for 2 years in stainless steel tanks. It is then hand-bottled, labeled, and packaged at a drinking strength of 45% alcohol by volume.

Aroma: Sweet, fruity notes of pineapple, various berries, as well as grassy nuances and freshly cut sugarcane are noticeable.
