

DROPS OF MAGIC

STILLABUNT

The Stillabunt brand was established in 2020 in the Italian town of Marene, Piedmont, with a focus on producing premium products designed to elevate cocktails. The portfolio includes the Magic Velvet Foamer, which creates velvety foam crowns on drinks, and a wide range of exciting, alcohol-free cocktail bitters. Stillabunt stands for the highest quality and innovation in the world of cocktail preparation.

The Stillabunt Yuzu Bitters combine the fresh taste of grapefruit and lemon with a sweet note reminiscent of mandarin. The deep complexity of floral nuances brings a refreshing kick to any drink.

All of the bitters are based on natural extracts, offering an intense aroma without containing alcohol. Additionally, they are gluten-free, lactose-free, and vegan.
