

DROPS OF MAGIC

STILLABUNT

The Stillabunt brand was established in 2020 in the Italian town of Marene, Piedmont, with a focus on producing premium products designed to elevate cocktails. The portfolio includes the Magic Velvet Foamer, which creates velvety foam crowns on drinks, and a wide range of exciting, alcohol-free cocktail bitters. Stillabunt stands for the highest quality and innovation in the world of cocktail preparation.

The Stillabunt Tonka Bean Bitters offer an irresistible touch of tonka bean, blending vanilla aromas with bold notes of chocolate, coffee, magnolia, and sandalwood. Enhanced with sweet-bitter nuances of almond and honey, these bitters provide a complex flavor profile. They are perfect for aromatic drinks like a Tonka Espresso Martini.

All of the bitters are based on natural extracts, offering an intense aroma without containing alcohol. Additionally, they are gluten-free, lactose-free, and vegan.
