

DROPS OF MAGIC

STILLABUNT

The Stillabunt brand was established in 2020 in the Italian town of Marene, Piedmont, with a focus on producing premium products designed to enhance cocktails. The portfolio includes the Magic Velvet Foamer, which creates velvety foam crowns on drinks, as well as a wide range of exciting, alcohol-free cocktail bitters. Stillabunt stands for the highest quality and innovation in the world of cocktail preparation.

The Stillabunt Violet Bitters captivate with the delicate aroma of violet flowers. A subtle sweetness blends with a bitter note, creating an irresistible flavor experience. They truly shine in a Violet Aviation cocktail, paired with gin, lemon, and maraschino liqueur.

All of the bitters are made from natural extracts, offering an intense aroma without containing alcohol. Additionally, they are gluten-free, lactose-free, and vegan.
