

INCA BITTERS

LATIN STYLE COCKTAIL FLAVORS

When we were creating our Pisco Sour Set Peru, we decided to develop a new bitters that met our specific conception of a bitters for the Pisco Sour. Finally, after numerous tries we found a recipe with which we were highly satisfied! The perfect bitter for the Peruvian national drink.

The strong aroma of clove and cinnamon accentuated through gentian root wonderfully balances the fruitiness of the grapes of pisco with the sourness of the lime.

The Inca Bitters, although made especially for the Pisco Sour, fits delightfully to other cocktail creations, such as tiki-drinks or rum punches, as well.
